

Human Resources

BSN medical is a global leader in the worldwide healthcare market specialising in the areas of Fracture Management, Physiotherapy, Compression Therapy and Wound Care. We are focused on the development of world-class branded products that offer high quality solutions for our caregivers and patients.

Due to our ambitious plans for growth and recent internal changes we have an opportunity in the following area:

Compression Therapy Business Unit - Clinical Nurse Advisor

BSN medical's Compression Therapy Business Unit is looking to recruit a Clinical Nurse Advisor to be based in the Birmingham/Midlands area.

The successful candidate must be educated to degree level or equivalent in a suitable nursing discipline. They must also have experience in Lymphoedema and Vascular Nursing. The Clinical Nurse Advisor will be responsible for managing all clinical and educational aspects of BSN's Compression Therapy range, and developing and delivering training packages. They will also support the UK Sales and Marketing functions in all aspects of Lymphoedema and Vascular Therapy.

If you would like to discuss the opportunity further please contact Ann Hughes on 01482 670134.

If you are inspired by this opportunity, and believe you have the right skills and experience, please send a current CV and salary expectations to careers@bsnmedical.com. Candidates must be eligible to work and live in the UK.
